ARTICLE 2. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning January 1, 1961, and to issue note or notes therefor, payable within one year, and to renew any notes as may be given for a period of less than one year, in accordance with Section 17 Chapter 44, General Laws; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 3. To see if the town will vote to instruct and direct the Board of Selectmen to petition the State Board of Standards to propose regulations relative to the construction, alteration, and maintenance of buildings and other structures in the town, in accordance with Section 3, of Chapter 143 of the General Laws; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 4. To see if the Town will vote to hear the report of the Playground Investigating Committee appointed in accordance with a vote of the 1959 Annual Town Meeting under Article 27; and to act on said report or act or do anything in relation thereto.

(by Playground Committee)

ARTICLE 5. To see if the town will vote to hear the report of the Secondary School Needs Committee appointed at the Special Town Meeting of December 14, 1959, and act thereon; or act or do anything in relation thereto.

(by Secondary School Needs Committee)

ARTICLE 6. To see if the town will vote to create and appoint or elect a Secondary School Building Committee of seven members for the purpose of undertaking all preliminary work relative to the construction of additional secondary school accommodations in the Town of Bellingham, and to appropriate the sum of \$3500. to defray any and all expenses to be incurred by said committee in connection with the aforesaid preliminary work. Said sum of \$3500. to be raised partly by taxation and partly by transfer from the unexpended funds appropriated for the Secondary School Needs Committee; said Secondary School Building Committee to report its progress to the town at the earliest possible time; or act or do anything in relation thereto.

(by Secondary School Needs Committee)

ARTICLE 7. To see if the town will vote to raise and appropriate a sum of money for the improvement of town owned land off Harpin Street; or act or do anything in relation thereto. (by Petition)

ARTICLE 8. To see if the town will vote to raise and appropriate a sum of money for the improvement of roadways leading to the North Bellingham Cemetery; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 9. To see if the town will vote to raise and appropriate a sum of money to repair and improve Atlanta Avenue; or act or do anything in relation thereto. (by Petition)

ARTICLE 10. To see if the town will vote to raise and appropriate a sum of money to improve a section of Farm Street for a distance of 900 feet; or act or do anything in relation thereto. (by Petition)

ARTICLE 11. To see if the town will vote to raise and appropriate a sum of money to improve and relocate a section of Winter Street between Pulaski Blvd. and Central Avenue; or act or do anything in relation thereto. (by Petition)

ARTICLE 12. To see if the town will vote to raise and appropriate a sum of money for improving a section of Lakeshore Drive running westerly from Cranberry Meadow Road to the Blackstone Town line for a distance of 900 feet; or act or do anything in relation thereto.

ARTICLE 13. To see if the town will vote to raise and appropriate a sum of money for improving Stone Street from Hartford Avenue for a distance of approximately 500 feet; or act or do anything in relation thereto. (by Petition)

ARTICLE 14. To see if the town will vote to raise and appropriate a sum of money for improving Patrick Street from Blackstone Street to Route 140, a distance of approximately 600 feet; or act or do anything in relation thereto. (by Petition)

ARTICLE 15. To see if the town will vote to raise and appropriate a sum of money for the purpose of improving and surfacing Meadow Road from Lowland Street to South Main Street, a distance of 290 feet; or act or do anything in relation thereto. (by Petition)

ARTICLE 16. To see if the town will vote to raise and appropriate a sum of money to improve Taunton Street, for a distance of about 1500 feet and Nason Street for a distance of about 1075 feet; or act or do anything in relation thereto. (by Petition)

ARTICLE 17. To see if the town will vote to raise and appropriate a sum of money for improving Depot Street for a distance of 1550 feet from North Street; or act or do anything in relation thereto. (by Petition)

ARTICLE 18. To see if the town will vote to raise and appropriate a sum of money for the installation of a drainage system on Cross Street, including catch-basins, manhole, and 12-inch plain cement pipes; or act or do anything in relation thereto (by Petition)

ARTICLE 19. To see if the town will vote to direct and authorize the Board of Selectmen to lay out as a public way a strip of land about 40 feet in width and extending about 144 feet westerly from the westerly end of Norfolk Street to the Bellingham-Blackstone town line; and to authorize the Board of Selectmen to take said strip of land by right of eminent domain; or act or do anything in relation thereto. (by Petition)

ARTICLE 20. To see if the town will vote to accept as a public way that certain street laid out and designated as Indian Run Road on a plan of land known as "Lake Hiawatha", Sections 1 and 2, said plan being recorded with the Norfolk Registry of Deeds, and to accept the deed of said street as laid out in said plan; or act or do anything in relation thereto. (by Petition)

ARTICLE 21. To see if the town will vote to accept an extension of 200 feet with a width of 40 feet on Mohawk Street; or act or do anything in relation thereto. (by Petition)

ARTICLE 22. To see if the town will vote to raise and appropriate a sum of money for an addition to the North Community Building; or act or do anything in relation thereto. (by Petition)

ARTICLE 23. To see if the town will vote to raise and appropriate a sum of money for the purpose of installing overhead doors at the South Community Building; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 24. To see if the town will vote to raise and appropriate a sum of money for the purpose of obtaining Workmen's Compensation Insurance for town employees; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 25. To see if the town will vote to raise and appropriate a sum of \$17,500.00 for the purchase of a 750-gallon pumper Fire Truck; or act or do anything in relation thereto. (by Petition)

ARTICLE 26. To see if the town will vote to hear the report of the Engineers retained by the Board of Selectmen for the purpose of making a survey of the town water supply system in accordance with a vote adopted at the Special Town Meeting of December 14, 1959; and to see if the town will act on said report; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 27. To see if the town will vote to raise and appropriate a sum of money to purchase and install water mains of not less than 6 inches in diameter on Maple Street beginning from existing main on Mechanic Street and continuing easterly for a distance of 3854 feet; said sum to include hydrants, valves, and all necessary appurtenances; or act or do anything in relation thereto.

(by Petition)

ARTICLE 28. To see if the town will vote to raise and appropriate a sum of money to install water mains of not less than 6 inches in diameter on Pine Street in North Bellingham, beginning from existing main and continuing northerly a distance of approximately 1500 feet; said sum to include hydrants, valves and all necessary appurtenances; or act or do anything in relation thereto.

(by Petition)

ARTICLE 29. To see if the town will vote to raise and appropriate a sum of money for the purpose of repairing, cleaning, and painting the Water Department standpipe on South Main Street; or act or do anything in relation thereto. (by Water Commissioners)

ARTICLE 30. To see if the town will vote to raise and appropriate a sum of money to purchase and install water mains of not less than 6 inches in diameter, complete with hydrants, valves, and all necessary appurtenances on Elm Street (so called) beginning from existing main on South Main Street and continuing westerly for a distance of 500 feet; or act or do anything in relation thereto.

(by Petition)

ARTICLE 31. To see if the town will vote to raise and appropriate a sum of money for the purchase of a pick-up truck for the Water Department; or act or do anything in relation thereto.

(by Water Commissioners)

And you are hereby directed to serve this warrant by posting up attested copies thereof in at least one public place in each Precinct in said Town, seven days at least before the time of holding said meeting.

Hereof fail not, and make due returns of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this 1st day of February in the year of our Lord one thousand nine hundred and sixty.

THOMAS E. NICHOLSON
LEOPOLD CAYA
WINDSOR D. BATES

Selectmen of Bellingham

Item 58. Town Bldgs. insurance (excluding schools) \$1203.29

Item 59. Reserve Fund—\$5000.00 (\$3378.34 by transfer from Overlay Surplus Account and balance by taxation)

Item 60. Stabilization Fund—\$15,000.00

Item 61. Town Employees Group Insurance—\$7000.00

Motion by Henri Masson to reconsider items 55, and 57 through 61 inclusive at this time did not carry.

ARTICLE 2. On motion of David L. Tuttle Jr., duly seconded, it was voted to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1961, and to issue note or notes therefor, payable within one year, and to renew any notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.

(Recommended by Finance Committee)

ARTICLE 3. On motion of Windsor D. Bates, duly seconded, it was voted to instruct the Board of Selectmen to petition the State Board of Standards to propose regulations relative to the construction, alteration and maintenance of buildings and other structures in the town, in accordance with Section 3 of Chapter 143 of the General Laws. (Recommended by Finance Committee)

ARTICLE 4. Pass over.

ARTICLE 5. On motion of Windsor D. Bates, duly seconded, it was voted to accept with thanks and place on file the report of the Secondary School Needs Committee.

ARTICLE 6. On motion of Richard Hill, duly seconded, it was voted: 1. To appoint a Secondary School Building Committee authorized to undertake the remaining preliminary work relative to construction of additional Secondary School accommodation in the Town of Bellingham and that the sum of \$1300.52 be raised by transfer from the unexpended balance of the Secondary School Needs Committee and an additional sum of \$2199.48 be raised by appropriation. The sum total of \$3500.00 be used to defray any and all expenses incurred by the Secondary School Building Committee in connection with the aforesaid preliminary work and that said committee report its progress to the town at the earliest possible time.

2. To appoint the following men to serve on the Secondary School Building Committee: Anthony Minichiello, Bellingham Superintendent of Schools; Richard Hill, Gordon Curtis, Charles Hooker, Louis Tosches, George Hachey, Ronald Lussier.

3. The Secondary School Building Committee shall fill any vacancy which may occur in its membership, by vote, attested copy of which shall be sent by the secretary to the Town Clerk. (Unanimously voted) (Recommended by Finance Committee)

ARTICLE 7. On motion of David L. Tuttle, duly seconded, it was voted to raise and appropriate the sum of \$2000.00 for the improvement of Town land off Harpin Street,

(Recommended by Finance Committee)

ARTICLE 8. On motion of Leopold Caya, duly seconded, it was voted to raise and appropriate the sum of \$925. for the improvement of the North Bellingham Cemetery roadway; 525 feet by 12 feet wide; said roadway to be asphalt roadmix with cement posts on side of roadway. (Recommended by Finance Committee)

ARTICLE 9. On motion of Frank Spayd, duly seconded, it was voted to raise and appropriate the sum of \$1500. to repair and improve Atlanta Avenue for a distance of 450 feet; said street to be 24 feet wide and resurfaced with asphalt road mix.

(Recommended by Finance Committee)

ARTICLE 10. On motion of Thomas Nicholson, duly seconded, it was voted to raise and appropriate the sum of \$3500. for the purpose of improving a section of Farm Street for a distance of 900 feet.

(Not recommended by Finance Committee)

On motion of William Cronan, duly seconded, it was voted to adjourn this meeting to Friday March 25, 1960 at 8:00 p.m. in the Bellingham High School auditorium.

Meeting adjourned at 11:05 p.m.

ADJOURNED ANNUAL TOWN MEETING

March 25, 1960

Pursuant to and in accordance with a vote of adjournment passed at the Annual Town Meeting of March 18, 1960, and notices of said adjournment having been posted by the Town Clerk in accordance with Section 6 of Article 2 of the Town By-laws, the inhabitants of Bellingham qualified by law to vote in elections and town affairs met at the Bellingham High School auditorium on March 25, 1960 at 8:00 p.m. and proceeded to act on the remaining articles of the warrant as follows:

The meeting was called to order at 8:00 p. m. by Moderator Andor deJony. There being more than one hundred voters present, the quorum required by the by-laws was established.

ARTICLE 11. On motion of Windsor D. Bates, duly seconded, it was voted to raise and appropriate the sum of \$250. for the purpose of making a survey regarding the relocation of Winter Street; said street running from Pulaski Blvd. for a distance of approximately 1100 feet.

ARTICLE 12. On motion of Bertrand Boiteau, duly seconded, it was voted to raise and appropriate the sum of \$3000. for the purpose of repairing and improving Lakeshore Drive for a distance of 900 feet; said street to be 24 feet wide and resurfaced with asphalt

road mix and to install approximately 32 to 40 cement posts along said street; said repairs to start from Cranberry Meadow Road to the Blackstone town line. (Not recommended by Finance Committee)

Motion by Henry Johnson to reconsider Article 10 at this time did not carry.

Motion by Bertrand Boiteau to reconsider Articles 2 to 9 and 11 and 12 at this time did not carry.

ARTICLE 13. On motion of Patrice Drapeau, duly seconded, it was voted to raise and appropriate the sum of \$1460. for the purpose of improving Stone Street from Hartford Avenue for a distance of approximately 500 feet; said street to be 18 feet wide and resurfaced with asphalt road mix. (Recommended by Finance Committee)

ARTICLE 14. Motion made by Ray Patrick concerning Patrick Street did not carry.

ARTICLE 15. On motion of Leopold Caya, duly seconded, it was voted to raise and appropriate the sum of \$580. for the purpose of improving and surfacing Meadow Road from Lowland Street for a distance of 290 feet; said street to be 24 feet wide and resurfaced with asphalt road mix. (Recommended by Finance Committee)

ARTICLE 16. Pass over.

ARTICLE 17. On motion of Vincent Thayer, duly seconded, it was voted to raise and appropriate the sum of \$3250. for the purpose of repairing and improving Depot Street for a distance of 1550 running northerly from North Main Street; said street to be 18 feet wide and resurfaced with asphalt road mix.

(Not recommended by Finance Committee)

ARTICLE 18. Motion made by Robert Garrepy concerning Cross Street did not carry.

ARTICLE 19. Pass over.

Motion made by Wilfred Arcand to reconsider articles 13, 15, and 17 at this time did not carry.

ARTICLE 20. On motion of Alfred Liard, as amended by Windsor D. Bates and duly seconded, it was voted to refer the

acceptance of Indian Run Road to the Planning Board; said Planning Board to report back at a subsequent town meeting.

ARTICLE 21. Pass over.

ARTICLE 22. On motion of George Berardi, duly seconded, it was voted to raise and appropriate the sum of \$1500. for an addition to the North Community Building.

(Recommended by Finance Committee)

ARTICLE 23. On motion of Archille E. Trottier, duly seconded, it was voted to raise and appropriate the sum of \$1000. for the purpose of installing overhead doors at the South Community Building.

(Recommended by Finance Committee)

ARTICLE 24. On motion of Windsor D. Bates, duly seconded, it was voted to raise and appropriate the sum of \$3500. for the purpose of obtaining Workmen's Compensation insurance on the Town employees.

ARTICLE 25. On motion of Peter Kornicki, duly seconded, it was voted to raise and appropriate the sum of \$17,500. for the purchase of a 750-gallon pumper fire truck and that to meet said appropriation, there be raised by taxation \$2500. and the remaining \$15,000.00 be borrowed payable in three years; and that the Treasurer, with the approval of the Selectmen, be authorized to issue notes therefor in accordance with Chapter 44, section 7, Clause 9 of the General Laws.

Vote on above: YES 133 and NO 10

2/3 being 96, motion carried

Motion made by Peter Kornicki to reconsider Article 25 at this time did not carry.

ARTICLE 26. On motion of Thomas Nicholson, duly seconded, it was voted to hear the report of the engineers concerning the survey of the town water supply system; said report heard and accepted.

(Recommended by Finance Committee)

ARTICLE 27. On motion of Henry Johnson, duly seconded, it was voted to postpone action on this article until a future meeting.

ARTICLE 28. Pass over.

ARTICLE 29. On motion of Arthur Ayotte, duly seconded, it was voted to raise and appropriate the sum of \$2500. for the purpose of repairing and painting the exterior of the Water Department standpipe on South Main Street.

(Recommended by Finance Committee)

ARTICLE 30. On motion of Oscar Sevigny, duly seconded, it was voted to raise and appropriate the sum of \$2075. for the purpose of installing water mains of not less than 6 inches in diameter on Elm Street (so called); \$200. of said sum to be used to install water mains beginning from the existing main on South Main Street and continuing westerly for a distance of 500 feet; said sum to include hydrants, valves, and all necessary appurtenances; the remaining sum of \$75. to be expended by the Highway Department for the purpose of repairing South Main Street (area of main tapping excavation) after the Water Department has completed the installation.

(Finance Committee recommended postponement)

ARTICLE 31. On motion of Arthur Ayotte, duly seconded, it was voted to raise and appropriate the sum of \$1900. for the purchase of a new pick-up truck for the Water Department; said sum to be raised by transfer of \$1026.22 from the pumping station standby gasoline motor unexpended balance, \$441.54 by transfer from the Lakeshore Drive water mains unexpended balance, and \$432.24 by direct appropriation.

(Recommended by Finance Committee)

On motion of George Berardi, duly seconded, it was voted to dissolve the warrant at 10:45 p. m.

ATTEST:

LIONEL R. TRUDEAU
 Bellingham Town Clerk.

WARRANT FOR SPECIAL TOWN MEETING

July 25, 1960

Norfolk ss.

To either of the Constables of the Town of Bellingham Greetings.

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in Town affairs and elections, to meet at the Town Hall in said Bellingham on Monday, July 25, 1960 at 8:00 p.m., then and there to act on the following articles:

ARTICLE 1. To see if the Town will vote to appropriate a sum of money for the Machinery Account; said sum to be raised by transfer from the Machinery Revenue Account; or act or do anything in relation thereto.

ARTICLE 2. To see if the Town will vote to accept, in accordance with Section 3 of Chapter 143 of the General Laws, regulations relative to the construction, alteration and maintenance of buildings and other structures, said regulations having proposed by the State Board of Standards and having been filed with the office of Town Clerk and with the office of the State Secretary; or act or do anything in relation thereto.

ARTICLE 3. To see if the Town will vote to appropriate a sum of money for salary and expenses of the Inspector of Buildings to be appointed by the Board of Selectmen under Chapter 143 of the General Laws; said sum to be raised by transfer from available funds or from the Surplus Revenue Account; or act or do anything in relation thereto.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 494 of the Acts of 1959, providing for an increase of one hundred dollars to the pension, retirement allowance or annuity of certain former Town employees; or act or do anything in relation thereto.

ARTICLE 5. To see if the Town will vote to hear a report of the Board of Selectmen pertaining to a study and survey made in reference to the sewerage conditions at Scott Hill Gardens; or act or do anything in relation thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum of money for the Planning Board appropriation; said sum of money to be raised by transfer from available funds; or act or do anything in relation thereto.

ARTICLE 7. To see if the Town will vote to raise and appropriate a sum of money for the purpose of making further tests for additional sources of water supply for the Town water distributing system, or act or do anything in relation thereto.

ARTICLE 8. To see if the Town will vote to allow certain land located on the westerly side of Lake Street to be used for burial purposes, said land having been purchased by the Church of The Precious Blood from the Majeau estate in 1958 and being adjacent to the burial ground known as St. John Baptist Cemetery; or act or do anything in relation thereto.

ARTICLE 9. To see if the Town will vote to appropriate a sum of money for the item classified as "expenditures" in the forest

fires appropriation; said sum to be raised by transfer from the item classified as "salary" in said Forest Fires Appropriation; or act or do anything in relation thereto.

ARTICLE 10. To see if the Town will vote to appropriate a sum of money for the item classified as "expenditures" in the Fire Department appropriation; said sum to be raised by transfer from the item classified as "salary" in said Fire Department appropriation; or act or do anything in relation thereto.

And you are directed to serve this Warrant, by posting up attested copies thereof in at least one public place in each precinct of said Town, seven days at least before the time of holding of said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting as aforesaid.

Given under our hands this 16th day of July in the year of our Lord one thousand nine hundred and sixty.

THOMAS E. NICHOLSON

ATTEST:

CHARLES E. POITRAS, Constable

REURN ON THE WARRANT

Norfolk, ss.

Pursuant to the foregoing warrant, I have notified and warned the inhabitants of the Town of Bellingham qualified by law to vote in elections and Town affairs, by posting up attested copies of the same in at least one public place in each precinct according to the Town By-laws, seven days at least before the date thereof, as within directed.

CHARLES E. POUTRAS,
Constable of Bellingham

SPECIAL TOWN MEETING**July 25, 1960**

In accordance with the foregoing Warrant given under the hands of the Selectmen on July 16, 1960, the inhabitants of Bellingham qualified to vote in elections and Town Affairs, met at the Town Hall in said Town of Bellingham on Monday, July 25, 1960 at 8:00 p.m. and proceeded to act on the articles of the Warrant as follows:

The meeting was called to order at 8:05 p.m. by Moderator Andor deJony. There being less than one hundred voters present, the quorum required by the Town By-laws was not established.

On motion of Henri Masson, duly seconded, it was voted to adjourn the meeting until 8:45 p.m.

The meeting again called to order at 8:45 p.m. by Moderator deJony. There being only 87 voters present, the quorum again was not established.

On motion of Richard Ambler, duly seconded, it was voted to adjourn the meeting until 9:15 p.m.

Meeting finally called to order at 9:30 p.m. by Moderator deJony with a quorum declared present. The warrant was read by Town Clerk Lionel R. Trudeau.

ARTICLE 1. On motion of Wilfred Arcand, duly seconded, it was unanimously voted to appropriate the sum of \$3700. for the Highway Machinery Account; said sum to be raised by transfer of \$3700. from the Machinery Revenue Account.

(Recommended by Finance Committee)

ARTICLE 2. Action on this article rescinded upon reconsideration at the adjourned session of August 1, 1960.

ARTICLE 3. Action on this article rescinded upon reconsideration at the adjourned session of 8/1/60.

ARTICLE 4. On motion of Archille Trottier, duly seconded, it was voted to accept the provisions of Chapter 494 of the acts of 1959 providing for an increase of \$100. to the pension, retirement allow-

ance or annuity of certain former town employees.

(Recommended by Finance Committee)

10:25 p.m. Because of lack of quorum, this meeting voted adjourned to August 1, 1960 at 8:00 p.m. in Town Hall.

ADJOURNED SPECIAL TOWN MEETING

August 1, 1960

Pursuant to and in accordance with a vote of adjournment passed at the Special Town Meeting of July 25 ,1960, and notices of said adjournment having been posted by the Town Clerk in accordance with Section 6 of Article 2 of the Town By-laws, the inhabitants of Bellingham qualified by law to vote in elections and town affairs met at the Town Hall on August 1, 1960 at 8:00 p.m. and proceeded to act on the remaining articles of the warrant as follows:

The meeting was called to order at 8:00 p.m. by Moderator Andor deJony. There being more than one hundred voters present, the quorum required by the by-laws was established.

On motion of Richard Ambler, duly seconded, it was voted to reconsider Article 2 at this time.

ARTICLE 2. On motion of Richard Ambler, duly seconded, it was voted to pass over this article.

On motion of Joseph Scolavino, duly seconded, it was voted to reconsider Article 3 at this time.

ARTICLE 3. On motion of Windsor D. Bates, duly seconded, it was voted to pass over this article.

ARTICLE 5. On motion of Windsor D. Bates, duly seconded, it was voted to hear the report pertaining to the study and survey of the sewerage conditions at Scott Hill Gardens; said report accepted and filed.

ARTICLE 6. On motion of Richard Ambler, duly seconded, it was voted to pass over this article.

Motion made by Bernard Biron to reconsider Article 6 at this time did not carry.

ARTICLE 7. On motion of Bruno Santini as amended by Robert Van Amburgh and duly seconded, it was voted to raise and appropriate the sum of \$3000.00 for the purpose of further development of an additional well in the vicinity of the present #3 well in South Bellingham off Wrentham Road.

ARTICLE 8. On motion of Windsor Bates, duly seconded, it was voted to pass over this article.

ARTICLE 9. On motion of Joseph Scolavino, duly seconded, it was voted to pass over this article.

ARTICLE 10. Pass over.

On motion of George Berardi, duly seconded, it was voted to dissolve the warrant at 10:35 p.m.

A true copy.

ATTEST:

LIONEL R. TRUDEA,
Bellingham Town Clerk.

WARRANT FOR STATE PRIMARY

The Commonwealth of Massachusetts

September 13, 1960

Norfolk, ss.

To either of the Constables of the Town of Bellingham: Greeting.

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in Primaries to meet in Town Hall Precinct 1, Community House Precinct 2, and Community House in Precinct 3 on Tuesday the thirteenth day of September 1960 at 12:00 o'clock noon for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices:

Senator in Congress	For this Commonwealth
Governor	For this Commonwealth
Lieutenant Governor	For this Commonwealth
Secretary of the Commonwealth	For this Commonwealth
Attorney General	For this Commonwealth
Treasurer and Receiver-General	For this Commonwealth
Auditor of the Commonwealth	For this Commonwealth
Representative in Congress	For 14th Cong. District
Councillor	For 2nd Councillor District
Senator	For 2nd Norfolk Sen. District
1 Representative in General Court	For 8th Norfolk Rep. District
Register of Probate and Insolvency	For Norfolk County
County Commission (2)	For Norfolk County
County Treasurer	For Norfolk County
Sheriff	For Norfolk County

The polls will be open from 12:00 Noon to 8:00 p.m.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 1st day of September, A.D. 1960.

Norfolk ss.

To either of the Constables of the Town of Bellingham Greetings.
In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town,

qualified to vote in elections and Town affairs, to meet at the High School in said Bellingham on Friday, December 2, 1960 at 8:00 p.m., then and there to act on the following articles:

ARTICLE 1. To see if the Town will vote to adopt, amend and adopt, or reject the proposed Zoning By-law together with a map defining the boundaries of the districts, which was prepared by the Bellingham Planning Board, as filed in the office of the Town Clerk and as advertised in the Woonsocket Call on Saturday, November 5 and Saturday November 12, 1960, and on which a public hearing will be held on November 28, 1960, or do anything relation thereto.

ARTICLE 2. To see if the Town will vote to appropriate a sum of money for salary and expenses of the Inspector of Buildings to be appointed by the Board of Selectmen; said sum to be raised by transfer from available funds or from the Surplus Revenue Account; or act or do anything in relation thereto.

ARTICLE 3. To see if the Town will vote to authorize the Board of Selectmen to appoint an Industrial Development Committee of five members, and a sum of money, said money from available funds, to initiate the function of this Board; or act or do anything in relation thereto.

And you are directed to serve this Warrant, by posting up attested copies thereof in at least one public place in each precinct of said Town seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands this 23rd day of November in the year of our Lord one thousand nine hundred and sixty.

THOMAS E. NICHOLSON, Chairman
LEOPOLD CAYA
WINDSOR D. BATES
Selectmen of Bellingham

A true copy.

ATTEST: ALBERT A. GRENON

Constable of Bellingham

RETURN OF WARRANT

Norfolk ss.

Pursuant to the foregoing warrant, I have notified and warned the inhabitants of the Town of Bellingham qualified by law to vote in elections and Town affairs, by posting attested copies of the same in the following places: Center Post Office and Town Hall in Precinct No. 1; Caryville Post Office and North Community House in Precinct No. 2; and South Community Building and Gagne's Drug Store in Precinct No. 3; copies of said warrant were posted as above mentioned on November 24, 1960 in accordance with the Town By-laws, as within directed.

ATTEST: ALBERT A. GRENON
Constable of Bellingham

ATTEST: LIONEL R. TRUDEAU
Bellingham Town Clerk.

A true copy.

SPECIAL TOWN MEETING

December 2. 1960

In accordance with the foregoing Warrant given under the hands of the Selectmen on November 23, 1960, the inhabitants of Bellingham qualified by law to vote in elections and Town affairs, met at the High School in said Town of Bellingham on Friday December 2, 1960 at 8:00 p.m. and proceeded to act on the articles of the Warrant as follows:

The meeting was called to order at 8:00 p.m. by Moderator Andor de Jony followed by the reading of the Warrant by Town Clerk Lionel R. Trudeau. There being more than 100 voters present ,the quorum required by the By-laws are established.

ARTICLE 1. *On motion of R. Bernard Biron, duly seconded, it was voted to adopt the proposed Zoning By-law together with a map defining the boundaries of the districts, which was prepared by the Bellingham Planning Board, as filed in the office of the Town

Clerk and as advertised in the Woonsocket Call on Saturday November 5, and Saturday November 12, 1960, and on which a public hearing was held on November 28, 1960.

Vote: YES: 206 NO: 150
(recommended by Finance Committee)

ARTICLE 2. Pass over.

ARTICLE 3. Tabled.

On motion of Henri Masson, duly seconded, it was voted to dissolve the Warrant at 11:15 p.m.

*Note: Above action on Zoning By-law submitted to the office of the Attorney General for approval, on December 16, 1960.

A true copy.

ATTEST: LIONEL R. TRUDEAU

Bellingham Town Clerk

ANNUAL REPORTS

OF THE

TOWN ELECTED

and

APPOINTED OFFICERS

OF THE

TOWN OF BELLINGHAM, MASS.

For the Year Ending December 31, 1960

**REPORT OF THE BOARD OF SELECTMEN
FOR THE YEAR 1960**

The rapid growth of our community can best be illustrated with the most recent census figure of 6763 population.

Our present valuation of \$8,496,485.00 is an increase of \$1,445,000.00 over the last five years. A total of \$969,389.00 in receipts was handled by the various departments. This is an increase of \$277,000.00 over the same five year period.

It is pleasing to note that all the departments are conscious of this growth and are planning accordingly for the future.

It is with pride that we submit our annual report along with recommendations for the year 1961.

STREET LIGHT SURVEY:

Your Board in conjunction with the Power Company engineers and our Police Chief have conducted a survey throughout the town. We have installed several lights already in locations deemed most urgent. Details and recommendations will be presented at a forthcoming Town Meeting outlining the overall situation. We believe that in proposing to provide for the safety of the citizens of our town, we are taking a progressive step forward.

The convenience, safety and security to be derived by the citizens now living in the poorly and in some cases, non-lighted areas (Charles River Grove consisting of seven streets and numerous homes) will be greatly benefitted and material assistance would also be rendered to the valued service of the efficient Police Department, Volunteer Firefighters and Highway Department.

If but one citizen of Bellingham some time in 1961 was spared serious injuries or life itself by being the victim of an accident while walking or riding in many of the poorly or non-lighted areas then the annual increased cost to the Town would be a splendid investment.

STAR CARBONIZING WOOL WASTE HEALTH PROBLEM:

Residents in this area which borders the Rhode Island State line have been plagued for over fifteen years with foul odors emitting

from wool waste dumped into beds located in Bellingham. Your Board acting as the Board of Health took the decision to correct this problem, and we are pleased to report that it has been eliminated with the helpful co-operation of the Star Carbonizing Company and the Woonsocket City Council. The only aftermath of this is the possibility of mosquitoes still breeding, and this we will watch carefully.

PETER'S RIVER DREDGING REPORT:

The dredging of this river was completed in 1960 through initiative that activated a shelved 3-year old appropriation. It takes in a part of the River from the State Line to Paine Street Bridge. The completion of this project has lowered the water table along the river and has eliminated a mosquito breeding problem. This river also extends from Paine Street bridge to Rakeville Pond and dredging of this length would also eliminate the same conditions, but engineers recommend holding up on this until the Paine Street Bridge is renewed. The bridge underpinnings would be weakened considerably by the faster flowing water. A new bridge, as well as sidewalks, is needed and should be kept in mind for the near future.

There is a balance of money not expended and keeping in mind the safety of the school children, it is the intention of your Board to install (just as soon as weather permits) a wire fence along the bank of the Assumption School playground.

NORTH END FIRE DEPARTMENT:

With the addition of a new 750 gallon pumper to the Town's firefighting force, it was a natural to switch one fire truck to the North end of town to give better protection that was lacking. This meant the setting up of the North End Fire Department with 18 new members. The co-operation of both the South and Center Fire Departments in helping to facilitate this new endeavor with training courses certainly showed team work to perfection.

NORTH MAIN STREET BRIDGE ON ROUTE 126:

As of this writing the New York, New Haven Railroad is in the act of lining up material and labor to surface the bridge with heavy oil and crushed stone to alleviate the slippery conditions that exist during inclement weather. Your Board has also in the interest of safety, not only for automobiles but for pedestrians as well, installed powerful street lights on both ends of the bridge. Numerous reflectors also help to bring attention on the approaches.

The New York, New Haven R. R. now has the material to build a new bridge. The starting time (which has been wishful thinking for many years) will be around the first week of March, 1961. Along with the railroad's plans to build a new bridge, your Selectmen are requesting a provision with the budget for 1961 to ask for sums to correct the approaches so that a balance of the modern look will prevail.

Your Board has also looked into the possibility of getting the State to take over this section of 126 crossing the bridge, but found that a long delay with the end results being negative would only put us back to where we started. We have not, however, erased this possibility of trying to get the State to take it over and will continue to pursue the idea. In the meantime, we will be enjoying a new bridge.

MAPLE STREET BRIDGE:

Co-operation of the New Haven Railroad with your Board has made it possible for a new bridge to be erected. This is another instance where persistance has paid off.

TOWN DUMP:

The most time-consuming and paramount problem has been the town dump. We have endeavored to control its operation to lessen any and all complaints that go with any town dump, but find that to control it 100% in it's present location would be prohibitive in cost and endless in time. Your Board at the moment is exploring the possibility of acquiring the only tract of land that may be available. If we are successful in our dealings we will provide for adequate funds for this change in location as well as for operation at the annual town meeting. The year 1961 will find us exploring the idea of a regional incinerator with three or four other towns. We have inquired about a new method called sanitary dumping. This calls for end of every day bulldozing with fill. Both the above-mentioned ideas are expensive, however, the incinerator would seem to be the most logical to solve this problem.

INDUSTRIAL DEVELOPMENT COMMISSION

It is our intention to set up provisions for such a commission at a forthcoming Town Meeting.

With zoning going into effect and definite areas planned for industrial sites, this commission can now act intelligently.

Attracting industry is not an overnight creation and requires considerable effort, activity and spade work.

Larger cities and towns than Bellingham with more to offer including plant buildings already available, have waited long periods of time for new industry to arrive.

Schools, labor pool, sewage and adequate water supply are only a few items on the long list of requirements. It is encouraging to see that the Water Department and the School Building Committee are laying plans for our future.

The only straw right now that we can hope to grasp or build around is route 495 which calls for an interchange in our town. Investigation finds that construction is from 4 to 10 years away.

There are 14 surrounding towns and cities that have "regionized" for mainly this one thing; to capitalize on the new route.

It will be correct for Bellingham to join hands with these other towns so that a collective view for attracting industry can be made. We are sure that with the right guidance and initiative on the part of its members and town officials, nothing but good can come out of I. D. C.

BELLINGHAM AMBULANCE RESCUE SQUAD AND CIVILIAN DEFENSE, AUXILIARY POLICE:

It would be embarrassing indeed if we did not extend our hand in congratulations to each of the members of these two dutiful-minded organizations. The spirit and enthusiasm shown, certainly played an important part in making all their operations successful. It is spirit such as this that tends to spark your Town Fathers with the thoughts and feeling of wanting to be close and co-operative with all departments in Town. We have done just this and can proudly say it has paid off.

FOLIO CLINICS:

After a three month delay caused by four non-civic minded persons who filed a complaint with the District Attorney's office claiming a technicality in administration and handling of funds, three clinics were finally conducted. Two were held in the month of May and one in June with a total of 1487 being inoculated.

The three month delay was due to the interrogation by the District Attorney's men of the complainants, who finally admitted to political skullduggery. The investigators found that we were conducting clinics in the same manner as other towns, and we should continue to conduct them in exactly the same manner. They labeled the petition of the complainants "Political Vindictiveness."

It is regrettable that doubt was cast onto the volunteer workers, including our town physician, Dr. Shenker, Mrs. C. Baisley, Mr. R. Baisley and the Milford Nursing Association.

We thank the above for making the three delayed clinics a success despite the unwarranted attack on their good names, as well as ours.

FOR 1961 WE RECOMMEND THE FOLLOWING UNDERTAKINGS:

1. Attempt to have the state take over the Highway called Pulaski Boulevard from Westminister Street to Brisson Avenue, and from Crooks Corner to just past the Paine Street Bridge. If successful it will mean less maintenance costs, plus the fact that the expenses of a rotary at Crooks Corner and a bridge an Paine Street will be borne by the State. A rotary at Crook's Corner is imperative for safety's sake.

2. Forming a separate Board of Health that will be independent of the Board of Selectmen under whose jurisdiction it now comes. The combination of these two boards with their many demands has made it advisable to separate them in order to insure maximum efficiency.

3. Plans call for a new stretch of road from Bellingham Center to just past Scott Hill Gardens section. A sidewalk along this stretch is advisable, and it will be made a reality at the annual town meeting.

4. The Center section of town is growing rapidly bringing about many needs. One of these being a playground adequate to suit all age groups from slides and swings to Little League, to hard ball, with tennis and basketball included. It is fortunate indeed that the site for the new high school is located in the center of town and that playground facilities will be available on their grounds. The Lions Club of Bellingham is to be congratulated for their most generous contributions of both money and equipment for all playgrounds.

5. The Town of Bellingham is intermingled with three different telephone call zones costing residents a toll charge for calling within town limits. It is imminent that a conference should be held with telephone officials, for a "toll-free" town.

6. Expansion of library facilities in the South.

7. Sidewalk improvements from Maple Street to North School to the playground.

8. Drainage on Hartford from Farm Street to Pearl Street.

9. A hardball diamond at the North Athletic Field.
10. A reasonable sum should be appropriated each year on Farm Street to eventually complete this now hazardous road, which is one of the last roads in Bellingham to be surfaced.
11. The time is coming when the Center Fire Department quarters now housed with the Highway Department will have to have independent quarters to station all trucks and equipment under one roof.
12. Expansion of our postal departments in town, also the possibility of eliminating the same intermingling similiar to the telephone problem.

SUMMARY:

The above are our thoughts and deeds. These last two years have shown what can be done with energetic and persistant leadership. With the many events that have to be faced in 1961 experience and contacts will play an important part in these accomplishments.

There are many more paragraphs that could be added to this now lengthy report but we have chosen to cover the immediate important ones. In this report we hope you will grasp our philosophy of thinking and Planning.

Yours for Better Government,
WINDSOR D. BATES, Chairman

REPORT OF THE FINANCE COMMITTEE

During the year of 1960, the Finance Committee held joint meetings and hearings with the Water Commissioners, the Planning Board, the Board of Health, and the Secondary School Building Committee. The committee feels that these joint meetings helped stimulate interest in various issues and have resulted in by-laws, regulations, decisions and plans of action which will be of great benefit to the Town in the future.

It is the hope of the Finance Committee that these joint meetings will continue and that through them the future needs of Bellingham can be anticipated so that the Town may continue to experience a sound and vigorous growth.

The Townspeople are urged to attend the meetings of the Finance Committee and learn for themselves how the town is run and how their tax money is being spent. Often it is only at the Finance Committee meeting that details of town government can be fully explained.

ROBERT VAN AMBURGH, Chairman
MICHAEL CONNORS, Vice Chairman
HENRI MASSON, Secretary

**REPORT OF THE SUPERINTENDENT OF STREETS
AND HIGHWAYS**

To the Honorable Board of Selectmen and to the Citizens and Taxpayers of Bellingham:

Chapter 90 Maintenance

The following streets were treated and sealed with asphalt in parts, under Chapter 90 Maintenance. These streets need cleaning Catchbasin, Patching, Road mix and sealing; Wrentham St. with a mix in place from Lake St. to the Wrentham Town Line, and

Pùlaski Blvd. from Brisson St. to Center St., and No. Main St. from Hartford Ave. 762 feet South.

Chapter 81 Maintenance

The following is a report of work done on the various streets and highways of the Town during the year ending Dec. 31, 1960. Emergency occurred in which a number of streets were washed out, requiring filling in with gravel and patch. Those streets are as follows:

So. Main St.	No. Main St.	Hartford Ave.
Wrentham St.	Bliss Road	Scott Hill Blvd.
Maple St.	Irving St.	Lakeshore Dr.
Blackstone St.	Florida Ave.	Lake St.
North St.	Paine St.	Praire St.
Orchard St.	Westminster St.	Fourth Ave.
Farm St.	Depot St.	First Ave.
Mill St.	Park St.	Chestnut St.
Center St.	Cross St.	Newland Ave.
Lowland Rd.	Central Blvd.	Locust St.
Grove St.	High St.	Blackmar St.

The following streets were scraped in whole or in parts:

Farm St.	Hixon Place	Grove St.
Brook St.	Granite St.	River St.
High St.	Mill St.	Blackstone St.
Mellon St.	Taunton St.	Nason St.
Middle Ave.	Fifth Ave.	Third Ave.
Fourth Ave.	Railroad St.	Chestnut St. .

Brush Cutting on the following streets in whole or in parts:

So. Main St.	Pulaski Blvd.	Hartford Ave.
Farm St.	Granite St.	High
Park St.	Center St.	Blackstone St.
Chestnut St.	Cramberry Medow Rd.	Taunton St.

The following streets were treated and sealed with bituminous asphalt and tar, in whole or in parts, under Chapter 81 in which general highway and streets repairs are made.

Maple St.	Lake St.	Cross St.
Elbow St.	Irving St.	Depot St.
Kennedy Rd.	Holmatron Rd.	Potter Dr.
Oak St.	North St.	Scott St.
Chestnut St.	Cramberry Meadow Rd.	

Road Mix in Parts:

So. Main St.	Pulaski Blvd.	Hartford Ave.
Wrentham St.	Park St.	

The following streets were gravel in parts:

Farm St.	Auger St.	Railroad St.
Fourth Ave.	Granite St.	Hixson Place
Grove St.	Middle Ave.	Mill St.
Taunton St.		

All necessary routine cleaning Catchbasins, Patching, Graveling, Scraping, Brush, Asphalt, Tarring, and dragging under Chapter 81 was done as expeditiously as possible per agreement between the Board of Selectmen and the State Engineers and your Superintendent of Streets.

Chapter 90 Construction

The Chapter 90 Construction that was started in November 1959 was completed in 1960 as per agreement and 1960 Construction was done as per agreement. Work consists fo excavation and embankment; grading and rolling gravel, borrow foundations; Construction of road mix surface Drainages have been installed. This work was done under Chapter 90 Construction as per agreement between the Board of Selectmen and the State Engineers and your Superintendent of Streets.

Sidewalk Maintenance

Working on the following sidewalk repairing and patching, in parts:

So. Main St.	Hartford Ave.
--------------	---------------

Highway SAND Cleaning

Work on Sweeping the following streets in parts or in whole:

Pulaski Blvd.	So. Main St.	Hartford Ave.
Governor Ave.	Elm St.	Chamberlain Rd.
Cabot St.	Cutler St.	Brisson Ave.
Andrew St.	Pothier St.	Paine St.
Roundeau Rd.	Prairie St.	Scott Hill Blvd.
So. Center St.	Winter St.	Potter Circle
Suffolk St.	Stensen St.	Short St.
Westminister Ave.	Silver St.	Newland Ave.

Wrentham St.	Mansion St.	Lawrence St.
Linwood Ave.	James St.	Hunt St.
Glennbrook Ave.	Freeman St.	Dube St.
Central St.	Central Blvd.	Center St.
Beech St.	Autumn St.	Pine Grove Ave.
Plante St.	Orchard St.	Norfolk St.
Mann St.	Moody St.	Lakeshore Dr.
Locust St.	Irving St.	Spring St.
Potter Dr.	Porier St.	Woodland Road
Trenton St.	Scott St.	Stockholm St.
Pond St.	Pickering Ave.	Pleasant St.
Pine St.	Pearl St.	Oak St.
McKean St.	Liberty St.	Lafayette St.
Kennedy Rd.	Harper Blvd.	Hartford Ave.
Florida Ave.	Easy St.	Essex St.
Cramberry Ave.	Carriers Ave.	Chestnut St.
Bellingham St.	Highland Road	Glen Road
First Ave.	Elbow St.	Auclair St.
Cedar Hill Road	Prospect St.	No. Main St.
Central Ave.	Main Ave.	Maple St.
Lowland Rd.	Lake St.	Holmatron Rd.
Harpin St.	California Ave.	Bliss Rd.
Arrow Head Rd.	Arthur St.	Muron Ave.
Mohawk St.	North Center St.	Oak Terrace

These streets were done with a sweeper and some were done with labor.

Bridges and Railing

On the following streets, and making cement posts for various streets, and repairing railing and installing cement posts on various streets:

Farm St. Railing	Cross St.	No. Main St.
So. Main St.	Pulaski Blvd.	Depot St.

Signs and Guideboards

Pottier Dr.—2	Kennedy Dr.—2	Holmstrom Rd.—1
Harper Blvd.—1	Prospect St.—2	Lawrence St.—2
California Ave.—2	Glenbrook Ave.—1	So. Main St.—2
Auclair St.—1	Cedar Hill Rd.—2	Arrow Head Rd.—3
12 Go-children Slow		

These are the new signs and we had to buy more iron posts in order to get them off the pole.

Highway General

Repairs on the following streets were made, including scraping, graveling, drainages brush, patch, and sand and stone in whole or in parts, under Highway General; Sub-soil,

Hartford Ave.	So. Main St.	No. Main St.
Paine St.	North St.	Mary St.
Easy St.	Oak Terrace	Scott St.
Lakeshore Dr.	Grove St.	High St.
Orchard St.	Park St.	Stone St.

Snow Removal And Sanding

Plowing and sanding was done as expeditiously as possible.

Annual Town Meeting of March, 1960

Repairs and improvements of various streets.

No. Bellingham Cemetery

No. Bellingham Cemetery—Distance of 525 of resurfaced with a road Mix.

Atlanta Ave.

Atlanta Ave.—450 feet of Resurfaced and repairs of street.

Lakeshore Dr.

Lakeshore Dr.—900 feet of resurfaced and repairs of street.

Stone Street

Stone St.—500 feet of Resurfaced and repairs of street.

Meadow Road

Meadow Road—290 feet of Resurfaced and repairs of street.

Depot Street

Depot St.—1550 feet of Resurfaced and repairs of street.

Farm Street

The \$3,500.00 for Farm St. Improvements and Repairs has NOT been Spent.

We have been replacing many streets signs from the utility poles and installing them on steel poles, as the result of a request from Worcester County Electric Company.

In closing I wish to thank the Board of Selectmen, the State Engineers, the Police Department, Water Department and Fire Department, and the School Department and all Town Officers, the Citizens and Taxpayers of the Town of Bellingham, and I also wish to thank the employees of the Highway Department for their sincere efforts in working faithfully with me to better street conditions in the Town and to make the department able to operate efficiently during the past year.

Respectfully submitted,

WILFRED E. ARCAND,
Superintendent of Streets & Highways

REPORT OF THE TOWN TREASURER

To the Citizens of Bellingham:

Statement of Cash

Balance January 1, 1960	\$ 65,685.72
Plus 1960 Receipts	1,229,388.96
Less 1960 Warrants Paid	1,222,622.26
Balance December 31, 1960	\$ 72,452.42

Elementary School Construction

In the elementary school construction account there is a balance of \$2.89. Expenditures from this account during 1960 were in the amount of \$339.95.

The following chart illustrates the Town's commitments for 1961:

NOTES AND LOANS OUTSTANDING DECEMBER 31, 1960

Purpose of Loan	Interest Rate	Date Issued	Final Payment Date	Amount Outstanding	Amount Due in 1961 Principal Interest
PWA Water Bonds	2½ %	March 1, 1939	March 1, 1969	\$54,000.00	\$1,275.00
WPA Water Bonds	2¾ %	March 1, 1939	March 1, 1969	12,000.00	302.50
Water Mains Extensions	2½ %	July 1, 1951	July 1, 1961	1,000.00	11.25
Water Mains Extensions	2½ %	Jan. 15, 1953	Jan. 15, 1963	9,000.00	168.75
Water Mains Extensions	2½ %	Nov. 15, 1953	Nov. 15, 1963	9,000.00	225.00
Water Mains Extensions	3¼ %	May 1, 1957	May 1, 1967	15,000.00	438.75
Elementary School	3¼ %	April 1, 1957	April 1, 1977	375,000.00	11,781.25
Highway Drainage	2.60 %	April 1, 1958	April 1, 1968	8,000.00	195.00
Fire Truck	2.90 %	Oct. 1, 1960	Oct. 1, 1963	15,000.00	5,000.00
*Highway Construction	1.45 %	Dec. 23, 1960	March 23, 1961	16,000.00	145.00
				16,000.00	Discounted

* Highway Construction Loan in Anticipation of Reimbursement.

Report on Trust Funds

DAVID L. TUTTLE, JR.
Town Treasurer

REPORT OF THE NORTH MUNICIPAL FIELD COMMITTEE

To the Honorable Board of Selectmen:

The major improvements made this year at the North field were as follows:

1. Re-seeding the bare spots in the whole area.
2. Hot-topping an area to be used for a tennis court and basketball court. Baskets and backboards were installed in this area.
3. This year a variety of field recreational equipment was purchased and a flag pole erected.

Our sincere appreciation to the Lions Club for their donation of a large slide.

This coming year we hope to do major repair work in the in-field to bring it up to level and repair the dugouts and backstops that have been damaged.

Our thanks to the Board of Selectmen for their co-operation and to all who helped us in our efforts to provide adequate recreational facilities at the North field.

Respectfully submitted,

JOSEPH H. LUMENTI, Chairman
CHESTER E. BARTOLET
CHARLES W. HOOKER
ROBERT H. PLUNKETT

REPORT OF THE BOARD OF REGISTRARS

The Board of Registrars organized in 1960 with Anatole Debigare as Chairman and Lionel R. Trudeau as Clerk.

Voter registration sessions were held periodically for the following:

Annual Town Election in March 1960
Presidential Primary in April 1960
State Primary in September 1960
State Election in November 1960

Number of registered voters as of December 31, 1960:

Precinct 1	1260
Precinct 2	615
Precinct 3	1930

Total	3805

Pursuant to Article II, Section 9, of the Town By-laws, members of the Board of Registrars served as tellers to supervise admission to town meetings held during the year 1960.

Respectfully submitted,
ANATOLE DEBIGARE, Chairman
JOHN J. CLANCY
ZEPHIRIN J. REMILLARD

LIONEL. R. TRUDEAU, Clerk

REPORT OF THE SEALER OF WEIGHTS AND MEASUERS

December 5, 1960

To The Honorable Board of Selectmen:

I hereby submit my report as Sealer of Weights and Measures for the year ending December 31, 1960.

All places of business in the town of Bellingham were visited by me as required by law and all weighing and measuring devices were tested and sealed.

Platform scales over 10,000 lbs.	4
Platform scales less than 10,000 lbs.	1
Platform scales 100 lbs. to 5000 lbs.	12
Counter scales less than 100 lbs.	27
Avoirdupois	8
Apothecary	1
Metric	8
Vehicle tank	4
Bulk storage tank	2
Gasoline pumps	38
Leather measure	2

Respectfully submitted,

RUSSELL C. SONIER

Sealer of Weights and Measures

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

January 16, 1961

To The Honorable Board of Selectmen:

As Chief of the Fire Department and as Forest Fire Warden, I hereby wish to submit the following combined report for the Fire Department, Forest Fire Department and the Ambulance-Rescue Division.

The alarms answered by the above mentioned departments were as follows:

Fire Department Calls	56
Forest Fire Department Calls	79
Ambulance-Rescue Division Calls	133
	<hr/>
	268

The above figures show that there has been an increase in calls in all departments, however, due to the increase in population of this town, this should be readily expected and understood.

It is with great pleasure to report that the Fire Department coverage and efficiency have been greatly improved this year due to the fact that Station #3 has been inaugurated in the north section of town. This gives us an equipped station in all three sections of Bellingham.

The acquisition of the new 750-gallon pumper has greatly helped the needs of the town, and it is a piece of apparatus that the towns people of Bellingham can well be proud of.

The town now has five pieces of fire apparatus that are in A-1 condition, plus a forest fire truck that can be used in case of a severe forest fire. The apparatus that we now have, I believe, is adequate for the town's needs at present. With the increase of the building of so many new homes, we must start thinking of an additional piece of apparatus within the next few years.

The services of the Ambulance-Rescue Division are rapidly expanding. The number of calls have increased every year since its inauguration. In the past year there has been a 33 percent increase in the number of calls to which the Ambulance-Rescue has responded. Therefore, with the Ambulance-Rescue starting to show wear and tear, and the number of calls increasing every year, we must give very serious thought to acquiring a new ambulance to work in conjunction with the present Ambulance-Rescue.

The Ambulance-Rescue Division has three trained First-Aid Instructors plus a crew of advanced trained corpsmen. It will eventually become a necessity for additional personnel to take an active part in this department if a new vehicle should be acquired. Any person interested in this phase of town support will be very welcomed.

The Highway and Water Departments have been very cooperative in keeping the Fire Department informed of all highway and hydrants under repairs. This is greatly appreciated.

To the Board of Selectmen, I wish to express my sincere thanks for the cooperation and understanding, also the assistance that they have given to the Fire Department.

To the Board of Selectmen, I wish to express my sincere thanks for the cooperation and understanding, also the assistance that they have given to the Fire Department.

I would like to take this opportunity to thank all officers and men of each of the three stations, the members of the Ambulance-Rescue Division for their splendid cooperation and for their devotion to duty, not only in case of emergency, but also for the time they have spent at practice and drill sessions, in order that they may be prepared for any emergency that may arise.

In conclusion, the members of the Fire Department, Forest Fire Department and Ambulance-Rescue Division hope to receive the splendid cooperation from all sources in the future as they are now receiving.

Respectfully submitted,

PETER KORNICKI

REPORT OF THE TREE WARDEN

To The Honorable Board of Selectmen:

Seventy-five trees had to be cut down, most of these trees were dangerous. The names of these are as follows: 33 Elms, 3 Maple, 22 Black Oak, 5 Birch, 10 White Oak and 2 Pine.

Trimming has been done on all the streets in town. There are sixty-five trees which should be cut down. Trimming should be done on all the streets in town for the safety of the public.

Respectfully submitted,

SYLVIO DALPE

Tree Superintendent

REPORT OF THE DIRECTOR OF VETERANS' SERVICES**For the Fiscal Year Ending December 31, 1960**

To the Board of Selectmen of Bellingham, Mass.:

Gentlemen;

I herewith submit my annual report as Director of Veterans' Services in the Town of Bellingham, Massachusetts.

During the year 1960 cases of all needy, worthy and eligible veteran's were taken care of to the satisfaction of all concerned, under the laws set forth by the Commonwealth of Massachusetts.

REPORT OF THE BOARD OF WATER COMMISSIONERS

To the Citizens of Bellingham:

The Board of Water Commissioners, Mr. Wilrose A. Dalpe, Mr. Rosaire J. Brien and Mr. Bruno Santini organized and appointed Mr. Wilrose A. Dalpe chairman, Mr. Bruno Santini clerk, Mr. Arthur Ayotte superintendent and Mr. Aram I. Gariepy water bill collector.

The Board wishes to commend here on the fine job done by the Superintendent and the Water Bill Collector in performing their duties to the best interest of the Town.

Progress invariably involves problems and water has created its share.

Our fight to solve the water problem is being carried on at every opportunity. There is no let up, no easing off. We continually strive to make the facts known. Not only to the elected officials, but to the Townspeople at large.

We can achieve the goal of an adequate water supply for our mushrooming population only if we campaign vigorously for the issues to finance them and repulse efforts to undermine the good that already has been done.

During the past year we have been fortunate to locate and develop another source of supply off Wrentham Road in the approximate vicinity of our present No. 3 station.

We are inserting herewith a summarized report of the Consulting Engineer retained by the Board in connection with the survey made of the needs of the Town water system.

Conclusions and Recommendations

1. In agreement with our general report of March, 1960, an additional source of water is urgently needed in Bellingham. Adjustments in the operation of Well #3 previously recommended enabled the Water Department to get by during the summer of 1960. Continuing new construction of housing, however, nullifies this gain.
2. Two proven sources are now available; one on South Bellingham, one in North Bellingham.
3. As previously recommended a site in North Bellingham for a new well is most desirable. The major portion of new building is in the north part of the Town. Reduction of operation costs of the water system is best served by a well located here. It costs less to pump a gallon of water 2 miles than it does to pump it 8 miles.
4. Cost per developed gallon per minute is least for the Hartford Avenue site of the three schemes studied.
5. Cost of the Peters River site plus the Lake Street route for connection is the most per developed gallon per minute.
6. The land at the Peters River site, including necessary easements and rights-of-way or access, should be purchased immediately. This source of water will inevitably have to be developed within the next five years and therefore should be removed from the real estate market.
7. Both proposed wells will be necessary by 1965 for the adequate supply of Water to the Town. Construction of the Hartford Avenue well first is preferred.

The Board of Water Commissioners are grateful for the fine support received from the Townspeople, Town Officials, and various boards during the year 1960.

Respectfully submitted,

WILROSE A. DALPE, Chairman
ROSAIRE J. BRIEN
BRUNO SANTINI
Board of Water Commissioners

REPORT OF THE WATER BILL COLLECTOR

Bellingham, Mass., Jan. 7, 1961

To the Bellingham Board of Water Commissioners:

Gentlemen:

As Water Bill Collector for the town of Bellingham I hereby submit my report for the year ending Dec. 31, 1960 as follows:

Water Rates

Bellingham Mendon, Mass.	\$46,219.45 634.80 ----- \$46,854.25
Water Service Charges	\$1,225.45
Water Service Applications	500.00
Meters	56.00
A/C Receivable 1959	8,496.93 -----
	\$10,278.38

	\$57,132.63
Cash Receipts	\$48,870.33
Abatements	560.09
A/C Receivable 1960	7,702.21 -----
	\$57,132.63

I am grateful to the Board of Water Commissioners and the Supt. for their cooperation during the past year.

Very truly yours,

ARAM I. GARIEPY

Water Bill Collector

REPORT OF THE PLANNING BOARD

To the Honorable Board of Selectmen and to the
Citizens and Taxpayers of Bellingham:

The Planning Board hereby submits its report for the year ending December 31, 1960.

The year 1960 proved to be the busiest year, the Planning Board has had, since it was created. During the year that just ended the Planning Board received a tremendous amount of applications for the approval of subdivisions, which indicates that the town will grow at a very rapid rate in the near future.

There is no need here of going into the details of or explaining all of the subdivisions that were presented to the Planning Board for our consideration during 1960, since they are all on record and they were well covered by the press during the year. One thing, however, that should be brought to the attention of the citizens of Bellingham at this time is that we can expect to have serious water problems and school problems in the very near future, and we should be taking steps at this time to solve these problems.

Beside, being busy during the year acting on the different subdivision applications submitted to this Board, the said Board undertook during 1960 the tremendous task of preparing and submitting to the people of Bellingham zoning regulations and a zoning map for their consideration. On December 2, 1960, the people of Bellingham approved the Board's proposal, and by the end of the year the town was awaiting the decision of the Attorney General on this matter.

During 1960 the Planning Board regulations were revised. Under the new regulations subdividers are now required to put in sidewalks, and asphalt roads, which were not required under the old regulations. Furthermore, the subdivider must now comply with more stringent regulations, all to the greater benefit of the town.

The election of 1960 brought two new members to this Board. They are Raymond Richard and Emile DeRouin. They replaced Joseph Scalovino and Raymond Mowry who had decided to run for other offices. The members of the Board wish to take this opportunity to thank Mr. Scalovino and Mrs. Mowry publicly for the fine service and assistance they rendered the Board, while they were serving on it.

When the end of the year rolled around the members of the Board were studying the possibility of having a master plan prepared for the town. We are spending considerable time studying this problem, and we will have something to report on this matter in the near future.

We wish to thank the members of all the Departments in Town for their splendid co-operation during the past year.

Respectfully submitted,

R. BERNARD BIRON, Chairman
HAROLD COOK, JR.
EMILE DeROUIN
HENRY H. GUERIN
RAYMOND RICHARD

REPORT OF SUPERINTENDENT OF WATER DEPARTMENT

To the Bellingham Board of Water Commissioners

Gentlemen:

I hereby submit my report for the year ending December 31, 1960.

Total Water Pumped During 1960

January	15,990,990	gallons.

Hydrants—repaired	14
Hydrants—relocated (So. Main St., Widening)	1
Hydrants—installed (Town dump, Center St.)	1
Stations No. 1-2-3 (flow chart changes) daily	366
New services installed	50

Water Mains Installation

Elm Street (so called) 500 ft. 6 inch cement asbestos pipe (3 takers) (Above installation approved by Town Meeting of March 1960).

I wish to express thanks to the Board of Water Commissioners and to all individuals and agencies for their help and cooperation during the year 1960.

Respectfully submitted,

ARTHUR AYOTTE

Superintendent of Water

REPORT OF TOWN COUNSEL

(As required by Section 3 of Article VII of the Town By-Laws)

CASE SETTLED IN 1960

Town of Bellingham vs. Town of Blackstone in the Second District Court of Southern Worcester: judgment for the Town of Bellingham in action for sale of water.

CASE PENDING, Dec. 31, 1960

City of Waltham vs. Town of Bellingham in the Second District Court of Eastern Middlesex: welfare assistance.

LEO A. GOSELIN**Town Counsel**

**REPORT OF THE CIVILIAN DEFENSE
AUXILIARY POLICE FORCE**

To The Honorable Board of Selectmen:

The following is a report of the hours put in by the Auxiliary Police this past year:

CHURCH DUTY	832	Man hours
CRUISER DUTY	200	" "
HOLIDAY DUTY	312	" "
EMERGENCY CALL OUTS	232	" "
DANCES, SUPPERS, ETC.	154	" "
<hr/>		
TOTAL AMOUNT OF HOURS	1730	Man Hours

We at this time would like to thank the Board of Selectmen, our Civilian Defense Director Francis Locklin, and the Chief of Police Euclide Fleurette for their splendid cooperation during the past year.

FRANK SPAYD, Jr. (Chief)**Lieutenant RENE BOISSEAU, (Clerk)**

1960 SOUTH MUNICIPAL FIELD REPORT

To The Honorable Board of Selectmen:

The Townspeople have expressed their pleasure with the continued improvement of the South Municipal Field during the past year.

The filling in of the brook and low land on the corner between the Thomas House and the High School eliminated a hazard to the children and improved the looks of the field.

The activity at the playground reached new heights with the installation of a slide, purchased jointly by the Bellingham Lions Club and the town.

The demands on the baseball diamond from May 1 to July 4 were heavy.

The continued yearly improvement of this town owned land is recommended.

The Selectmen wish to express their sincere thanks to the five man unpaid commission who have charge of the field.

WARREN E. WHITNEY
WALDO I. COOK, JR.
JOSEPH N. BONOLLO
ARTHUR L. MARCHAND
DAVID L. TUTTLE

ANNUAL REPORT OF THE BOARD OF ASSESSORS

Year Ending December 31, 1960

Gross amount to be raised	\$825,394.93
Less total estimated receipts and available funds	354,372.25
<hr/>	
Net amount to be raised by taxation on Real Estate and Personal Property and Polls	471,022.68
Number of Polls — 1858	Tax revenue 3,716.00
Personal Property Value: \$461,685.00	Tax revenue 25,392.68
Real Estate Property Value \$8,034,800.00	Tax revenue 441,914.00

Tax Rate for 1960 — \$55.00

The heavy burden of property taxes, which is the principal support of local government, must be distributed on an equitable

basis, and as fairness is the essential element of democracy, your local board has made great strides again this year towards reaching the goal of justifiable valuations.

The Board is thankful for the understanding of the taxpayers and the support of other town officials and the State Department of Taxation.

ELLSWORTH CROOKS, Chairman
EARL ROGERS
DONAT LAPLANTE

REPORT OF THE POLICE DEPARTMENT

January 1, 1961

To the Honorable Board of Selectmen:
Bellingham, Massachusetts

All dogs must be licensed by April 1st.	

Respectfully submitted,

EUCLIDE A. FLEUETTE

Dog Officer

**REPORT OF THE NORFOLK COUNTY MOSQUITO
CONTROL PROJECT**

January 3, 1961

To the Citizens of Bellingham:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Bellingham for the year ending December 31, 1960.

Aerial Spraying	1,475 Acres
Ground Spraying	255½ Acres
Pre-hatch Dusting	25 Acres
Culverts Cleaned	3 Culverts
Catch Basins Treated	372 Catch Basins

Respectfully submitted,

JOHN C. KUSCHKE

Superintendent.

REPORT OF LIBRARY TRUSTEES

An increase in circulation of volumes of 4,688 over 1959 highlighted last year's activities at the Bellingham Public Library. Circulation figures were up at the main library and both the North and South Branches.

Total circulation this year was 21,660 at all branches. This compared with 16,972 in 1959.

The greatest percentage increase was shown at the North Branch where circulation boomed to 3,469 in 1960. This compared to a total circulation of only 1,410 the prior year.

And this year, for the first time, total circulation at the South Branch exceeded that at the main library. Circulation at the main library in 1960 was 8,322, compared with a circulation at the South Branch of 8,869. Comparative figures last year were 8,237 and 7,325 respectively.

The physical plants of all three libraries are in good condition. A new book shelf was added at the North Branch and a new book stand installed at the main library where necessary painting was also done during the year.

The past year also saw completion of the cataloguing system that was started three years ago. This system will now be maintained by librarians, making it much easier for subscribers to find books they want.

Fines during the year netted \$106.50, down from the \$109.30 collected in 1959.

The following additions and renovations have been made this year:

A fence around shrubs in Center Library.
Wrought iron railing painted.
New five shelf book case.
Twenty-two individual lights over book cases.
Swivel desk chair.
Three drawer shelf for catalog cabinet.

The trustees thank all those who contributed books during the year; to all the library staff and all those whose efforts were of assistance.

Board of Library Trustees,

SARAH J. WRENN, Chairman
MARIE C. CROUSE, Clerk
ANNA DAIGLE
THELMA AMBLER
MATILDA HARPER
ILLIAN AREL

REPORT OF THE HEALTH OFFICER

December 3, 1960

Board of Selectmen
Town of Bellingham, Mass.

Gentlemen:

The following is my report as Physician to the Board of Health for the year 1960.

Routine Antigen and Small Pox Vaccination Clinics were held at South, Center and North. They were all well attended.

Two Polio Clinics were held under the direction of Mr. Ralph Baisley as a separate and independent project. Due to the close proximity of the Town of Bellingham to Woonsocket, R. I., it was considered wise to have a Booster Clinic in August of this year. I am very happy to report that not one case of Polio was reported in the Town of Bellingham this year.

I want to thank you, Mr. Ralph Baisley, all volunteer workers, Miss Grace Moran, R.N. and Miss Lucy King, R.N. for your splendid cooperation.

Respectively submitted,

HAROLD L. SHENKER, M.D., F.A.C.C.
Physician to the Board of Health
Town of Bellingham

REPORT OF THE BOARD OF PUBLIC WELFARE

The Board of Public Welfare submits the following report of the expenditures of the Welfare Department for the year 1960.

---------	-----

It would appear that the 1961 expenditures will be about the same, because as of the last of 1960, we now have a new program, known as the M. A. A. (MEDICAL ASSISTANCE TO THE AGED). This new program will need additional money supplied, as it takes in all Nursing Homes and hospital expenses. We now have 10 cases already and we expect many more during the year. The year of 1960 we aided 85 cases on O. A. A.

It is well to remember that the administration of the various categories of the Welfare Board are governed by rules of the State and Federal Government. The payments are subject to their

approval. Therefore, any increases granted by the State and Federal Government reflect in the appropriation of the Welfare Dept. It will be necessary, therefore, in 1961, due to some of the new increases, and also the new program (M. A. A.) to raise more money than was necessary in 1960.

This closes the report for 1960, in closing the Bellingham Board of Public Welfare would like to extend their great appreciation to the various Departments of the town for their co-operation during the past year, and hope that the year of 1961 will be received in much the same way, as the year of 1960.

Respectively submitted,

CHESTER A. GASKILL, Chairman
WILFRED ARCAND
ROLAND TROTTIER
Board of Public Welfare

REPORT OF THE PLUMBING INSPECTOR

January 16, 1961

To the Honorable Board of Selectmen:

I hereby submit a report from July 1st thru December 31st 1960.

I issued 108 permits and inspected all plumbing for which permits had been issued.

Respectively submitted,

A. TIMOTHY HARPER
Plumbing Inspector

TOWN ACCOUNTANT'S REPORT FOR THE YEAR 1960

To the Taxpayers of Bellingham:

The annual Report of the Accounting Department is herewith submitted.

It comprises a Statement of Receipts, Appropriations, Transfers and Expenditures; also a Trial Balance showing balances carried forward to 1961, and a Balance Sheet showing the financial condition of the Town as of December 31, 1960.

The portion of Surplus Revenue certified by the Director of Accounts, as available funds, (Free Cash) as of January 1, 1961 is \$28,291.27 which may be used by the Town during 1961.

Again this year many departments held down their expenditures, with the result that \$22,136.12 in departmental unexpended balances were transferred to Surplus Revenue.

Spot audits were made of the records and receipts of the Sealer of Weights, Inspector of Wires and Inspector of Plumbing, and all payments to the Treasurer by all Departments were varified.

Again I request that all departments present their bills for payment, promptly, and at least once a month, so that he Town may take advantage of cash discounts; and also notify the Accountant of the total amount of bills sent out for collection, as well as abatements granted, so that the ledger may at all times reflect the true condition of the Town.

To all who extended me their cooperation during the past year, I express my sincere appreciation.

Town Accountant

SCHOOL HOLIDAYS, 1961**AGE OF ADMISSION TO SCHOOL**

Any child who becomes six years of age on or before January 1st of the year following the term when he wishes to enter school may be admitted into the first grade, but in every case the admission of a child under six shall be dependent upon the fitness of the child to profit by the work of the school, such fitness to be determined by the superintendent. Pupils under seven years of age who have not previously attended school shall not be permitted to enter later than thirty days after the opening fo school in September.

NO SCHOOL SIGNAL

The no-school signal will be broadcast at approximately 7:00 7:15, and 7:30 over WWON in Woonsocket. Also before, during or immediately after news broadcasts over WBZ, WMRC, and WNRI. If there is no school in the morning there will be none in the afternoon.

In the event that schools do not close on any particularly bad day (rain, snow, cold, or other severe weather) parents are requested to use their own judgment in regard to sending their children to school.

FINANCIAL REPORT

For the Year Ending December 31, 1960

General Appropriation	\$319,627.75
Total Expenditures	317,869.29
Unexpended Balance	\$1,758.46

REIMBURSEMENTS

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Committee:

Gentlemen:

I take pleasure in submitting my second annual report as Superintendent of Schools.

Undoubtedly, we are all cognizant of the fact that we as a nation are in the throes of great changes, economic, social and indeed, educational. This being a report on our educational status and progress, our emphasis quite naturally will be placed upon the latter. Education is such an integral part of any society, it of necessity must

effect and is effected by the community in which it finds itself. Summarily, this is best expressed in the words of Dr. Lawrence G. Derthick, United States Commissioner of Education when he said, "We cannot stand still educationally in a racing world." We in education do not look at ourselves as an island lashed by troubled seas, immobile and irresponsible to the demands and needs of our society. In recognition of this we must soberly face all school endeavors, particularly our most pressing school problem locally, namely, the need for additional school housing.

SCHOOL HOUSING

At this writing we are occupying every classroom of our five school buildings. North School now accommodates grades one through four, thus utilizing each of its four classrooms. This is also the case at the Center School. Our third elementary school, Pinecrest, is being occupied to capacity. Each of the 14 rooms is being used. Some of these rooms have enrollments beyond the capacity intended. Because of increased numbers here, Pinecrest is no longer in a position to accommodate all middle grade classes of the town. We now house pupils in grades 1 through 4 from the south school district and consolidate grades five and six only.

The eight room South School which houses our junior high school students, namely grades seven and eight, is now operating at capacity. We do not need to search very far into the past to recall that this building once housed grades one through eight.

Our present high school which houses grades nine through twelve, is presently on two-platoon sessions. As we all know there are eleven teaching stations here. This includes a converted shop and three so-called special areas. Two classrooms are being utilized during the afternoon session.

Indeed, something must be done to eliminate these double sessions at the high school level and long range thinking must be energized at all levels lest our pupils become the victims of educational malnutrition because of shortened school days which are the offspring of the two-platoon system.

In all probability, prior to the time that this report becomes a part of our annual town bulletin, the townspeople will be asked to give favorable consideration to the recommendations of our Secondary School Building Committee. The report of this Committee advocating the construction of a new high school and converting our present high school into junior high school accommodations is strongly urged and endorsed. Since the report of the Committee

has been made and will be found elsewhere, we shall avoid redundancy and thus favor brevity. Suffice to all at this time, the recommendation that a permanent committee be established to study, evaluate and report to the people, the school housing needs of the town as it relates to along range program in our fast growing community.

Meanwhile, every effort is made to maintain our present buildings and keep them in good repair. Several classrooms have been painted in our high school and fire escapes have been installed at Center and North Schools. Additionally, all buildings are reconditioned from time to time, particularly during the summer months.

Attention should be given to painting the exterior of our three wooden structures together with the reconditioning of some of our floors. Further, lighting should be improved in some buildings. A schedule should be set up so that these recommendations can become a reality in due time.

SCHOOL POPULATION AND PROJECTION

On October 1, 1960 enrollment reached a new high for our town. On this date we had enrolled in public schools 1065 pupils. At the elementary level we had 605 pupils which is a larger enrollment than was experienced in grades 1 through 12 in 1949. Although the overall total population at the high school has not substantially increased, the Freshman and Sophomore groups have swelled our numbers since we no longer house Freshman at South School, which was the case in the school year 1959-1960. We have reason to believe that approximately 22 pupils left our high school to attend a full days' session elsewhere.

The advanced percentage technique is employed in the projection of enrollment. Basically this method expressed the concept of Patrick Henry when he stated that we know of no better way of judging the future but by the past. So too in the projection of school enrollment an educated estimate of future school housing needs is expressed by the growth experience of the past.

The actual and projected enrollment follows:

BELLINGHAM SCHOOL DEPARTMENT

Actual and projected enrollment, 1950-1960

	1	2	3	4	5	6	Total	7	8	Total	9	10	11	12	Total	Grand Total	Increase

Light figures actual

On the basis of information available, approx. 70% of 8th graders at Assumption will attend B.H.S.

Bold figures projectedAll figures as of October 1st
All figures will attend B.H.S.

Census

During the month of October, 1959 the annual census and distribution of minors was taken. The summary of this project includes all residents of the town between the ages of five and sixteen as of October 1, 1960. Residents who have attained their 16th birthday are not included. The results follow:

	5 year or over and under 7	7 years or over and under 16
Girls	195	681
Totals	388	1416
Boys	193	735

Distribution of Minors:

In public school membership	138	874
In private school membership	118	531
Not enrolled in any school	132	11
Totals	388	1416

The Age-Grade Enrollment charts which follow indicate enrollment in our schools as of October 1, 1960. They reveal the number of boys and girls, their age and the grade they attend in our public school system. Unlike the census figures which include all residents, this chart reports our public school pupils only. Therefore, the census chart will not necessarily agree with the Age-Grade Enrollment chart.

AGE-GRADE ENROLLMENT (High School)

AGE-GRADE ENROLLMENT (Elementary)
October 1, 1960

Personnel

Every effort is made to acquire and maintain qualified people to staff our schools. After acquiring the service of a competent staff we desire to see each member grow with the times and varying needs of students. In this regard it should be noted that 93% of our classroom teachers have enrolled within the past two years or are presently enrolled in professional improvement courses in our colleges and universities. This kind of career approach to responsibility should have a favorable impact on our present high calibre classroom instruction.

The following changes have occurred in our staff:

High School

Gene R. White, military leave of absence
Jean M. McKenna, leave of absence
Florence Markee, resigned

Pinecrest School

Dorothy E. Marshall, transferred
Ann E. O'Brien, resigned
Agnes Duggan, resigned
Gertrude M. Worrall, retired
Kenneth W. DeHertogh, transferred

Center School

Nancy Seastrom, resigned
Helena C. Downey, Supervisor of Music, retired

The following assignments have been made as of September 1960:

High School

Pearl C. Baker, Home Economics
Kenneth W. DeHertogh, Social Studies
Lawrence S. Blate, English
Marie T. Hayes, English, Latin
N. Andre Trudeau, Mathematics, Social Studies

Pinecrest School

David W. Joly, Principal
Phylis Szpakowski, Grade 4
James J. Connor Jr., Grade 5
Marcel T. Richer, Grade 5
Richard T. Green, Grade 6

Center School

Helen Northrup, Grade 1

North School

Dorothy E. Marshall, Grade 2

For well over a year, two curriculum study committees made up of volunteers from our teaching staff have worked tirelessly in an effort to evaluate our study guides in the academic areas of language arts, and mathematics. Their reports have been submitted and it is felt that these guides now more adequately fulfill the needs of our pupils in these specific areas.

During the past year our staff has not only attended but also participated in various conferences, conventions and workshops.

On October 4 our teachers from South School and High School attended a workshop in Hopedale High School. The purpose of this workshop was to exchange ideas and improve the teaching of various subjects at the secondary school level. Techniques, testing and marking were the general areas treated.

On October 17 our elementary staff attended a workshop in Hopedale where the general topic of the day was the use of community resources in the teaching process.

On October 28 the Norfolk County Teachers Association held its annual convention.

From time to time consultants are invited to come in to our schools after hours to discuss problems and new approaches and techniques. Our purpose in this effort is to bring in to our system experts in various academic fields. This service is provided at no cost to the town.

It is to be noted that the school calendar makes provisions for the time involved for conferences and workshops by incorporating more than the minimum time required for the school year. Thus, there is virtually no time lost for pupils while teachers are participating in these professional growth and improvement experiences.

Curriculum

We have discussed in our previous paragraphs the efforts that have been made to improve our program in two specific areas, namely, language arts and mathematics. It is expected that this year's projects will be concerned with the study of our social studies program. Over the course of the years we expect to study and evaluate our entire academic program. Only through constant research and evaluation can we know how well our program is providing for the needs of our pupils. Although, needs of pupils may vary, fundamentally goals and values must be constant. Our committees are very aware of this philosophy in their research to curriculum studies.

Every effort is made in our daily classroom planning and procedures by providing for the individual differences that exist among pupils by means of pacing their school progress according to their demonstrated and potential capacities.

Our system continues to participate in the in-school television programs presented by the Eastern Massachusetts Council for School Television through the facilities of WGBH-TV, Channel 2 in Boston. Through the program known as the 21" Classroom, we now receive:

Music, Grade 2

Literature, Grade 3

Conversational French, Grades 4 and 5

Natural Science, Grade 5

Physical Science, Grade 6

On March 28, 1960, Mrs. Claire McKenna of the South School staff directed our second annual science fair which was enthusiastically received.

As an aid in placing and pacing pupils, identifying strengths and weaknesses thus promoting better pupil understanding, standardized tests are administered, scored and interpreted by teachers and principals.

The Iowa Test of Basic Skills has now been incorporated in our testing program. Additionally we have administered the Science Research Associates High School Placement Test to our eighth grade students at South School. It is pleasing to report that the composite scores of those taking the tests indicated that 46.8% of this class were performing at the equivalent of 9th grade or above.

Looking Ahead

We have made recommendations under certain sub-divisions of this report and respectfully submit that with a more adequate physical plant, expanded with relation to our present and projected enrollment, our services in the areas of reading, music, art, guidance and physical education could and should be expanded. Finally, it is recommended that summer sessions be inaugurated in the areas where there is a felt need.

Conclusions

We wish to express our sincere gratitude to the many citizens of our town with whom we come in contact daily and our Town Officials for their cooperation and understanding. We are appreciative of the enthusiastic support of our Parent-Teacher Association, and the cooperation and assistance of our principals, teachers, school physician, and school nurse.

Finally, to you the School Committee go our sincere thanks for your cooperation and assistance of the past year.

Respectfully submitted,

ANTHONY C. MINICIELLO

Superintendent of Schools

REPORT OF THE HIGH SCHOOL PRINCIPAL

Mr. Anthoney C. Minichiello
Superintendent of Schools
Bellingham, Massachusetts

Dear Mr. Minichiello:

I herewith submit my nineteenth annual report as Principal of Bellingham High School.

The enrollment for the year, as of October 1, 1960, was 248. The summary shows that there were 35 seniors, 44 juniors, 80 sophomores, and 89 freshmen. A considerable number of students transferred to other high schools when they learned that we were going on double sessions. If we remained on a single session our enrollment would have been over 270.

The program of studies and the graduation program have been submitted separately and will follow this report.

The honor roll mark is 85% or over and high honors is 95% or over. The passing grade at our school is 70% and the certifying grade is 80%.

The above means that accredited colleges will not require entrance examinations in any subject in which our students have received a certifying grade. However, this is not to be confused with the College Entrance Examination Board Tests. There are now over 250 member colleges, and many other institutions require applicants to submit scores.

There are two types of examinations given by the board. The most important, taken by all candidates, is the Scholastic Aptitude Test. The other is the Achievement Test given in 13 subjects.

The SAT measures basic skills in two areas: verbal and mathematical. It is a test of reasoning ability not of "remembered facts," according to the board's new publication, "College Board Score Reports."

The Achievement Tests, of which students generally take three, do measure what the pupil knows in the field, and also his ability to solve problems based on this knowledge, but only one of three students takes these and relatively few colleges demand them.

Mrs. M. Louise Kelley is our Dean of Girls. She does an excellent job of handling the many problems of our girl students.

Our annual magazine drive was conducted shortly after school opened and was successful because of the efforts of most of the students and the cooperation and generosity of the townspeople. We allotted a share of the proceeds to the Senior class and we are continuing to repair old equipment and purchase new equipment for our Audio-Visual Department.

Our annual yearbook, "The Epiolgue," was published by the class of 1960 under the supervision of the class advisor, Mr. Frank

Flynn. Our advertising staff received a very kind reception from the business and professional men in our area, and we wish to thank them for their generous cooperation.

The class of 1960 spent their Easter vacation in New York, Washington, and Virginia. The students were chaperoned by their advisor, Mr. Flynn, and Miss Webster.

We published our monthly school paper, "The Student Voice," under the sponsorship of the class of 1961. This year the publication is sponsored by the class of 1962. Again, Mrs. Kelley is advisor.

Our basketball team finished the season with a record of 13 wins and 8 losses. This team did not win any championships, but they retained the Woonsocket Trade trophy from Blackstone.

Our baseball team won 5 and lost 5 and our track team won 3 and lost 6.

Our cheerleaders were entered for the first time in the David Prouty Cheerleading Tournament at Spencer, Massachusetts, and won the fourth place trophy.

We wish to compliment our coach, Mr. Flynn, the athletes, the cheerleaders, and the members of the Athletic Association, for exemplifying the purpose of our athletic program. The purpose is to teach good-sportsmanship so that students will learn to lose as graciously as they win.

The Franco-American Club honored the track team with a banquet and an inscribed plate for their plaque. The Lions Club honored the basketball team with their annual banquet. We deeply appreciate what these civic-minded people in our community are doing for our students.

Our present plans call for Senior exercises to take place during the week of June 19 as follows: Outing, June 19; Banquet, June 20; Class Day, June 21; Graduation, June 22; Commencement Ball - June 23.

We wish to thank the Police Department and the CD Auxiliary Police Force for the patrol work done at our school activities. Also, Mr. Arcand and the Highway Department for the service rendered to our school during the past year.

To the people of the Town of Bellingham, the Lions Club, the Franco-American Club, the American Legion and its Auxiliary, the Rev. Albert A. Bergeron, and the Parent-Teachers Association, we wish to express our thanks for the very fine support given the school.

In conclusion, Mr. Minichiello, I wish to express my sincere appreciation for your co-operative supervision and very helpful suggestions and ask you to convey to the members of the School Committee my thanks for their help in making this year a very successful one.

Respectfully submitted,

EDWARD F. COLLINS

Principal of the High School

Mr. Anthony C. Minichiello
Superintendent of Schools
Bellingham, Massachusetts

Dear Mr. Minichiello:

I herewith submit my first annual report as Principal of the Junior High School.

The enrollment for the year, as of October 1, 1960 ,was 212. The summary shows that there were 97 Eighth Grade students and 115 Seventh Grade students.

Last year, 55 Freshmen were housed at the South School. This year's increase in enrollment in the Eighth and Seventh Grades made that arrangement no longer possible, forcing the High School into a "Double Session" program.

The necessity for a new High School structure, from our level, is obvious at this time. If the increase in enrollment at this level continues—and all indications statistics-wise indicate just that—double sessions will be a necessity here as well in the very near future. The present High School structure could serve many of the purposes of our High School much better when and if a new High School structure is made available.

The schedule of classes, examination schedules—Mid-Year and Final, and the graduation program have been submitted to you on separate forms. Mid-Year Examination Results forms were sent home to the parents for signature and return.

The Testing Program was carried out according to the established policy. The California Test of Mental Maturity and the Intermediate . . . Grades 7-8-9 . . . Form AA of the California Achievement Tests Complete Battery were administered. In addition, this year, the Science Research Associates High School Placement Test was administered to all Eighth Grade students.

The results of this last-mentioned test were very favorable. The folowing break-down, submitted by Mr. John W. DiLibere, shows, in percentage form, how many of our Eighth Grade students were at the Ninth Grade level or above:

Reasoning No-Language	48.4%
Language Arts	57.4%
Arithmetic Comprehension	53.2%
Reading	45.1%
Composite	46.8%

The additional Audio-Visual equipment has greatly enriched our teaching program. Both the teachers and the students are very appreciative of the effectiveness this equipment provides.

On March 28, 1960, the Junior High School Science Fair was presented under the direction of Mrs. Harold McNaney, our Science Director. The exhibits manifested the high potential of many of our students in the Science Field. Its success is a tribute the high caliber of our students and the excellent direction of our Science Director.

Our Sports program at both the Eighth and Seventh Grade levels again was very successful under the capable direction of our Coach, Walter F. Nadolny. This program, aimed at providing all interested students with an opportunity to participate in Basketball and Baseball, should eventually strengthen the High School Sports program. Emphasis has been and will continue to be on a development rather than an achievement or record basis.

To the people of the Town of Bellingham, the Police Department, the Health Department—the School Physician and the School Nurse, the Parent-Teachers Association, the American Legion, the Lions Club, and all other groups and individuals, we wish to express our sincere appreciation for the assistance they have given us.

In conclusion, Mr. Minichiello, I personally wish to express my sincere appreciation for the cooperative and helpful supervision I have enjoyed under your administration. Kindly express my sincere thanks to the members of the School Committee for their assistance in making this year so enjoyable and successful.

Respectfully submitted,

JAMES J. KEOUGH,

Junior High School Principal

REPORT OF SCHOOL LUNCH SUPERVISOR

Mr. Anthony C. Minichiello
Superintendent of Schools
Bellingham, Massachusetts

Dear Mr. Minichiello:

I submit herewith my report as supervisor and manager of the school lunch program for the year 1959-1960.

The high percentage of student participation in this program continues to be a rewarding experience to myself and to my able staff, who are constantly striving to make this one of the most widely accepted and successful lunch programs by diligent and constant effort to prepare lunches that are palatable, attractive and appetizing, also with a constant variety of attractive menus to our young patrons.

These lunches are closely supervised by both State and Federal authorities. The meals served must always be prepared to comply with the strict requirements of these authorities and every lunch served consists of balanced and highly nutritional meals.

During the year 1959-1960, 60,000 meals were served to children and 2600 to the adult staff of Pinecrest School.

The success of this program was recognized by the State authorities in a report issued in September 1960. Bellingham was listed as the outstanding town in school lunch participation in Norfolk County and ranked among the top 15 on a State level.

Many factors contributed to the success and acceptance of this program,—the parents, the five women who prepare the food, the understanding and complete cooperation of the School Committee, Superintendent, Mr. Minichiello, school principal, Mr. Joly, the teachers and janitors who are always cooperative.

The entire program is self sustaining due chiefly to State and Federal subsidies of funds and food commodities.

Respectfully submitted,

AMELIA M. TROTTIER

Manager and Supervisor

REPORT OF THE SCHOOL PHYSICIAN

Mr. Anthony C. Minichiello
Superintendent of Schools
Bellingham, Massachusetts

Dear Mr. Minichiello:

The following is a report of the work done by me as School Physician for the year 1960.

Grades one, four, seven and ten were examined according to the Standards of the State Department of Education. Parents were notified at the time of examination of reportable defects.

All students participating in sports were also routinely examined.

In closing I want to thank you, the teachers, Miss Grace Moran, R.N. and Miss Lucy King, R.N. for your splendid co-operation.

Respectfully submitted,

HAROLD L. SHENKER, M.D., F.A.C.C.
School Physician

BELLINGHAM SCHOOL NURSING REPORT 1960

Mr. Anthony C. Minichiello
Superintendent of Schools
Bellingham, Massachusetts

May we submit to you the Annual School Nursing Report for the year ending December, 1960.

The schools were visited each week when in session. Registration was held at the schools on May 5th and May 6th with the School Nurse in attendance.

During October and November the School Nurse assisted Dr. Harold Shenker with the physical examinations. Grades 1, 4, 7, and 10 and all boys interested in athletics were included. Notices regarding defects were sent home to parents and guardians by the

School Nurse. Many school-home visits were made by the nurse regarding certain defects to guide and advise the parents as to the right course that might be taken.

Again this year on October 31st Miss King assisted the Norfolk County Health Association personnel with the skin testing of pupils in Grade II for tuberculosis. The results were read tgree kater abd positive reactors were X-rayed at the clinic in Franklin. All the follow-up work was done by Miss King. Excellent cooperation was given her by the parents.

Antigen Clinics were held in Bellingham Schools on March 15, 16, April 12, 13, May 10, 11, and 17. On May 18, May 20, and August 5, Polio Clinics were held in the late afternoon.

Thirty-three pre-school children received either one or more of the protective doses against whooping cough, diphtheria, and lock-jaw. All pupils in Grades 1, 6, and 11, with signed permission slips, were also given the booster dose at one of the clinics. Dr. Harold Shenker was in charge of all clinics assisted by the District Nurses and many willing volunteers from the District Nursing organization and local townspeople.

Many minor injuries were taken care of and pupils taken ill at school were transported to their homes at various intervals by the School Nurse.

Many school-home visits were made throughout the school year upon request of principals and teachers.

Eight hundred and forty were vision tested and eighty-six failed. Seventy-four were seen by an eye specialist. Seven hundred and ninety-eight pupils were audiometer tested and there were thirty-seven failures. Twenty-four were treated by an ear specialist.

Vision and audiometer testing consumes many hours of a School Nurse's time, and our State Department requests that it be done yearly. Every effort was made to try and complete the program and see that the follow-up work is done.

A Vaccination Clinic was held at Pinecrest School on June 3rd, and at Center and North on June 7th. Dr. Harold Shenker was in charge assisted by the District Nurses. The clinic was well attended and many children received protection against smallpox.

The usual colds, sore throats, and virus infections were prevalent at intervals during the winter months.

Pupils were inspected, weighed, and measured during the year.

The following is a report of the work done by the nurse in her visits to the schools in Bellingham:

1. Inspection of pupils	420
2. Pupils inspected for disease	27
3. Pupils recommended for exclusion	58
4. Pupil and nurse conferences	75
5. Home Visits	104
6. Teacher and nurse conferences	340
7. Pupils treated for minor injuries	309

In closing may we thank Mr. Anthony Minichiello, Superintendent of Schools, for his cooperation and assistance; Dr. Harold Shenker, School Physician, Principals, Teachers, all school personnel, and parents for their courtesy and confidence; and the School Committee and Town Officials for their loyal support.

Respectfully submitted,

GRACE MORAN, R.N.,
Supervisor

LUCY KING, R.N.,
School Nurse

ARTICLE 2. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning January 1, 1962, and to issue note or notes, therefor, payable within one year, and to renew any notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws; or act or do anything in relation thereto.

(by Selectmen)

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money for the improvement of Town owned land off Harpin Street; or act or do anything in relation thereto.

(by Petition)

ARTICLE 4. To see if the Town will vote to raise and appropriate a sum of money for the improvement of roadways at the Bellingham Center Cemetery; or act or do anything in relation thereto.

(by Selectmen)

ARTICLE 5. To see if the Town will vote to raise and appropriate a sum of money to improve and repair Atlanta Avenue; or act or do anything in relation thereto.

(by Petition)

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum of money to improve a section of Farm Street; or act or do anything in relation thereto.

(by Petition)

ARTICLE 7. To see if the Town will vote to authorize the Moderator to appoint a committee to be known as the Regional Vocational High School Survey Committee to study the Blackstone Valley Vocational Technical High School Survey in accordance with provisions of Chapter 71 Sections 14-14A; said committee to be made up of three members, one school committee member and two at large; and to report to the Town at future time; or take any action in relation thereto.

(by School Committee)

ARTICLE 8. To see if the Town will vote to accept Section IIIA of Chapter 41 of the General Laws, as amended, providing for vacations for members of the regular police force; or act or do anything in relation thereto. (by Petition)

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money for the purpose of improving and surface Elvira Street from Elm Street for a distance of 1213 feet; or act or do anything in relation thereto. (by Petition)

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money for the purpose of installing 6" water mains and appurtenances on Depot Street. Beginning from existing main on Depot Street and continuing Northerly a distance of 200 feet.

(by Petition)

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money for the purpose of installing 6 inch water mains and appurtenances on Elm Street (so called). Beginning from existing main and continuing in a Northerly direction for a distance of 300 feet.

(by Petition)

ARTICLE 12. To see if the Town will vote to appropriate a sum of money for the purchase of a new cruiser for the Police Department; or act or do anything in relation thereto.

(by Selectmen)

ARTICLE 13. To see if the Town will vote to appropriate from the Stabilization Fund a sum of money for the construction, original equipping and furnishing of a High School for the Town; or act or do anything in relation thereto.

(by Selectmen)

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money for the construction of a drainage system on

Printed by Chronotype Publishing Corp. of Westboro
Paine Street to extend from Paine Street to Peters River; or act or do anything in relation thereto. (by Petition)

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money for the construction of a drainage system on Archer Street and Lowland Road; or act or do anything in relation thereto. (by Petition)

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money for the construction of a sidewalk on South Main Street, extending from Scott Hill Gardens to Bellingham Center; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum of money for the construction of a sidewalk on Hartford Avenue, extending from the North Bellingham Baptist Church to the North Bellingham Municipal Field; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 18. To see if the Town will vote to accept as a public way a certain section of Lizotte Drive in the "Green Acres" subdivision, the section to be accepted being 40 feet in width and extending 300 feet between Prairie Avenue and Newland Avenue; or act or do anything in relation thereto. (by Petition)

ARTICLE 19. To see if the Town will vote to accept as a public way a street known as Coderre Drive and running southerly from Wrentham Street for a distance of about 500 feet; said street being recommended for acceptance by the Planning Board, and to be accepted as laid out on a plan entitled "Rakeville Villa" and recorded with the Norfolk Registry of Deeds, Plan Book 208, Plan 506; or act or do anything in relation thereto. (by Petition)

ARTICLE 20. To see if the Town will vote to accept section 8A of Chapter 40 of the General Laws for the purpose of establishing a development and industrial commission; to determine the number of members on said commission; or act or do anything in relation thereto. (by Selectmen)

ARTICLE 21. To see if the Town will vote to authorize the Board of Water Commissioners to acquire by purchase or otherwise a certain tract of land located on the northwesterly side of Hartford Avenue in the northerly part of Bellingham for the construction thereon of a gravel-packed well to be used in the operation of the Town water supply system, and to see if the Town will vote to raise and appropriate a sum of money for said purpose, or act or do anything in relation thereto. (by Water Commissioners)

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money for the construction of a gravel-packed well

in a well field located on the northwesterly side of Hartford Avenue in the northerly part of Bellingham, said well to be used in the operation of the Town water supply system, and said construction to include building for a pumping station, pumping station equipment and connecting water mains of ten (10) inches in diameter for a distance of 600 feet from the new well location to Hartford Avenue. Said sum of money to be borrowed in accordance with Clause 5 of Section 8 of the General Laws; or act or do anything in relation thereto.

(by Water Commissioners)

ARTICLE 23. To see if the Town will vote to authorize the Board of Water Commissioners to acquire by purchase or otherwise a certain tract of land located on the southerly side of Peters River in the southerly part of Bellingham for the construction thereon of a gravel-packed well to be used in the operation of the Town water supply system; said tract of land being about four hundred feet in width and extending easterly about one thousand feet from land presently used as a well field by the Town; and to see if the Town will vote to raise and appropriate a sum of money for said purpose; or act or do anything in relation thereto. (by Water Commissioners)

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money for the construction of a gravel-packed well in a well field located on the southerly side of Peters River, off Wrentham Street, in the southerly part of Bellingham, said well to be used in the operation of the Town water supply system; said construction to include building for pumping station, pumping station equipment and connecting water mains of 10 inches in diameter for a distance of 1480 feet from the new well to Wrentham Street and for a distance of 2700 feet westerly along Wrentham Street to Crook's Corner; said sum of money to be borrowed in accordance with Clause 5 of Section 8 of the General Laws; or act or do anything in relation thereto. (by Water Commissioners)

And you are hereby directed to serve this warrant, by posting attested copies thereof in at least one public place in each Precinct in said Town, seven days at least before the time of holding said meeting.

Hereof fail not, and make due returns of this warrant with your doings thereon, to the Town Clerk, at the time and place of meeting as aforesaid.

Given under our hands this 23rd Day of January in the year of
our Lord one thousand nine hundred and sixty one.

THOMAS E. NICHOLSON
